

## CYGNUS® ECO BOARD

The mark of  
responsible forestry  
FSC® C14

Manufactured in the heart of Sweden, **Cygnus® Eco Board** is the world's leading environmentally friendly, 100% fibre based board. Resistant to water and moisture, it is perfect for temporary outdoor signage and short term moisture sensitive signage and packaging.

**Cygnus® Eco Board** is an ideal alternative to soft foam boards, foam PVC, fluted polypropylene, PE coated materials, HIPS and other plastic composites - even aluminium composite!

**Cygnus® Eco Board** is FSC® certified and a perfect fibre-based alternative to plastic.

**Cygnus® Eco Board Lite** is available in 300, 430 and 520 micron, and **Cygnus® Eco Board Ultra** is available in 830, 1250, 1500 and 2200 micron. Both are available in sheet sizes from 450x640mm up to 1700x3600mm. Bespoke sizes are available upon request.

## KEY BENEFITS

Food safe up to 830 micron.

Fully recyclable – easily recycled and reused, in-fact it can be recycled up to 8 times!

Compostable and Biodegradable - can be disposed of in normal paperboard waste stream and has EN 13432.

Outstanding print results – suitable for offset, screen and flatbed digital print techniques.

Exceptional ink adhesion - smooth print surface means that when compared to fluted polypropylene, there is no flute shadow.

Superior conversion results - can be digitally or die cut.

Recycled content - made from up to 70% recycled content (depending upon calliper).

FSC® certified - Chain of Custody certification gives complete peace of mind.
