

IBEMA SUPERA GC2

T I I k y
F 4

Ibema Supera GC2 is a double coated, high bulk carton board, approved for direct food contact. It is made from 100% virgin fibre with high stiffness, a double coating and the lightest reverse layer of its category. It is also suitable for cosmetic, pharmaceutical and healthcare packaging solutions.

Ibema Supera GC2 is available in 225, 252 and 295gsm (390, 448, 540 microns) and is sheeted on our high speed rotary sheeter; please contact us to discuss your size requirements.
