

CYGNUS® CLAY COAT

The mark of
responsible forestry
FSC® C140215

Clay Coat Corrugated is a fully recyclable corrugated board. It has a white kaolin coated top surface receptive to printing ink, with either a white or brown reverse. Digi flute is also available which has been designed to meet the needs of the flat bed digital printing market. Digi flute reduces burnishing and mottling.

Clay Coat Corrugated is available in E, EB, EE, B, N, FE flutes. Digi flute grades are available in E, B, EB, and EE.

A wide range of sheet stock sizes are available.

KEY BENEFITS

Outstanding print results – suitable for screen and flatbed digital print techniques.

FSC® Certified – chain of custody gives complete peace of mind.
