

MM TOPLINER
– LITHO LAMINATION GRADE

The mark of
responsible forestry
FSC® C140215

Manufactured by Mayr Melnhof, **MM Topliner** is the market leading offset litho GD2 liner specifically manufactured for litho laminated packaging applications.

Facilitating exceptional colour density, excellent printing contrasts and the reproduction of detailed half-tone pictures, this material is available from Swanline Paper & Board ex-mill in various grades, or our UK stocks in 195gsm.
