

Environment Policy Statement

We are committed to providing a quality service that minimises our impact on the environment.

We will:-

- Integrate the consideration of environmental concerns and impacts into all of our decision making and activities.
- Promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner.
- Train, educate and inform our employees about environmental issues that may affect their work.
- Reduce waste through re-use and recycling where these alternatives are available, economical and suitable.
- Promote efficient use of materials and resources throughout our facility.
- Avoid unnecessary use of hazardous materials and products and take all reasonable steps to protect the environment when such materials must be used, stored and disposed of.
- Purchase and use environmentally responsible products accordingly.
- Communicate our environmental commitment to customers, visitors and interested parties and encourage their support.
- Strive to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy in light of our current planned future activities.
