

CYGNUS® ECO BOARD

The mark of
responsible forestry
FSC® C140215

Manufactured in the heart of Sweden, **Cygnus® Eco Board** is the world's leading environmentally friendly, 100% fibre based board. Resistant to water and moisture, it is perfect for temporary outdoor signage and short term moisture sensitive signage and packaging.

Cygnus® Eco Board is an ideal alternative to soft foam boards, foam PVC, fluted polypropylene, PE coated materials, HIPS and other plastic composites - even aluminium composite!

Cygnus® Eco Board is FSC® certified and a perfect fibre-based alternative to plastic.

Cygnus® Eco Board Lite is available in 300, 430 and 520 micron, and **Cygnus® Eco Board Ultra** is available in 830, 1250, 1500 and 2200 micron. Both are available in sheet sizes from 450x640mm up to 1700x3600mm. Bespoke sizes are available upon request.

KEY BENEFITS

Moisture resistant

Food safe up to 830 micron.

Fully recyclable – easily recycled and reused, in-fact it can be recycled up to 8 times!

Compostable and Biodegradable - can be disposed of in normal paperboard waste stream and has EN 13432.

Outstanding print results – suitable for offset, screen and flatbed digital print techniques.

Exceptional ink adhesion - smooth print surface means that when compared to fluted polypropylene, there is no flute shadow.

Superior conversion results - can be digitally or die cut.

Recycled content - made from up to 70% recycled content (depending upon calliper).

FSC® certified - Chain of Custody certification gives complete peace of mind.
